*Awards Ceremony*

The background of the image is a dark, almost black, space filled with a dense field of golden bokeh lights. These lights vary in size and brightness, creating a shimmering, celebratory effect. The overall aesthetic is that of a high-end awards ceremony or a festive event.

## About Farm Share

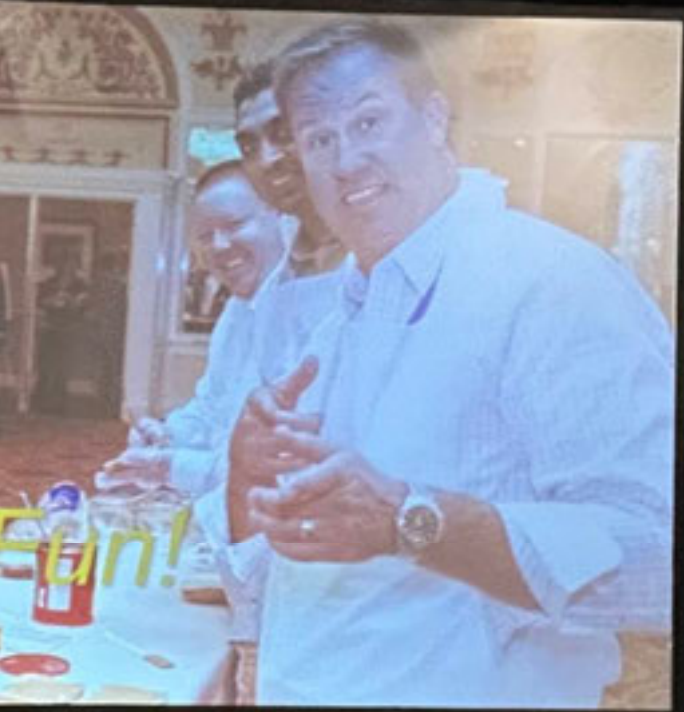

**How it all started:** It all started in 1991 with a Potato—OK, pounds and pounds of potatoes.

### Our Mission

At Farm Share, our mission is to make sure that no Floridian goes hungry and no food goes to waste. We are proud and thankful to share that we have never and never will charge any organization or individual for food.

Our valued donors and Florida farmers make it possible for us to distribute healthy and nutritious fruits, vegetables, proteins, and other non-perishable food to Florida families, children, seniors and individuals in need.

An aerial photograph of a coastal resort. The image shows a long, sandy beach on the left side, with waves breaking onto the shore. To the right of the beach is a large, multi-story hotel building with a curved facade. In front of the hotel is a large, blue swimming pool with a curved deck. The resort is surrounded by lush greenery and trees. In the background, there are more buildings and a body of water. The sky is clear and blue.
